GORDON FORSTER BOWL FINAL

Tamworth Golf Club

Sunday 8th May 2011

I would like to thank all teams who entered the competition for playing all their matches on time due to the terrible winter we had and well done to the teams that reached the final. Our starter for the day was Ed Mitchell and James Knowles from Bondhay Golf Club was first on the tee striking the first blow at 10:00 on the dot. Most of the men teed off before the heavens opened for 15 minutes, then a breezy sunny day was had by all.

The most outrageous score of 40 pts was by Rod Gallagher of Hounslow Heath (when is Rod going to give others a chance????????), followed by Terry Spinks of Basildon and John Sloper of Ruislip who both scored 38 pts but the best team on the day were Ruislip comprising John Sloper, Neil Jennings, Bob Jeffrey and Dean Aldridge with scores of 38,36,37,31 making a total of 142 pts to take the title of Gordon Forster Bowl Champions of 2011.

I would like to thank Tamworth catering staff for their good food and drink served throughout the day. Also thanks must go to Referee Gordon Gray, Elaine Pugh, Ed and Jane Mitchell and my golf nut Kate.

See you all next year.

John Booth
