NAPGC ANNUAL GENERAL MEETING

The Annual General Meeting was held at Ashford Manor, London on a bright sunny day, one of the few this year. We said goodbye to our Chairman, Ian Thomson, Hatchford Brook, who has guided the Organisation for the past three years and has been a wonderful servant to the NAPGC for many years. We wish Ian well and feel sure he is looking forward to spending more time on the fairways. Maureen Brooker was voted in as the new Chairman.

This year we broke with tradition and following the AGM we were very fortunate to have four excellent presenters. James Crampton (pictured) from the EGU gave an excellent presentation on the new CDH and did a Q and A session at the end. Margaret Belsey from Golfguard also advised the Clubs present of their commitment to the NAPGC and excellent product for all Affiliated Clubs.

WEB CREATIVE UK

Kevin Evans from Web Creative U.K. officially launched the new NAPGC Website at the AGM and offered all Affiliated Clubs a superb deal for any Club considering updating their own Websites or starting from scratch.

Visit the NAPGC Website and click on our Sponsors link for more information or search direct at www.clubview.co.uk.

BULLSEYE UK

Vince Murphy from Bullseye Garments and Awards brought to the meeting a selection of his trophies, banners and various table cloths as well. Bullseye supply the NAPGC with all their trophies and anyone who has been to St. Andrews for the UKPCC Championships will know what a superb range of trophies are put on the prize table at the end of the competition. ADOPT A GOLF CLUB

Do you have a neighbouring Golf Club who you play matches against who are a Proprietary or Pay and Play Course that do not belong to the NAPGC. Why not contact them and let them know the great competitions they are missing. There are joining forms on our website at www.napgc.org.uk or they can telephone our Secretary Ed Mitchell to find out all the great competitions they are missing.
