

Providing Golf Tournaments for all at affordable prices

NAPGC NEWSLETTER

Volume 11, January 2010

NEW WEBSITE LAUNCHED JANUARY 2010

We are pleased to announce the launch of our new website this month. It can still be found at www.napgc.org.uk and has had a complete makeover. We are going to evolve this site slowly and the next major alteration will be a Club Members page giving you all the information required to access names, telephone numbers and email addresses for all the people organising the different competitions. This information on the website will take the place of the annual yearbook and it will allow Clubs to update their own pages which will enable everything to remain current.

We are also looking for photographs of your Course/Clubhouse to be added to a rolling banner which will top the page. Please send your photograph, which must be a minimum of 1500 pixels wide, to maureenbrooker243@btinternet.com.

NEW DATE FOR 2010 ANNUAL GENERAL MEETING

Please note the change of date for the Annual General Meeting. Due to the inclement weather we have been experiencing for the past month, your Executive took the decision to put the Annual General Meeting back to **SATURDAY 6TH FEBRUARY** starting at 1200 hours at Ashford Manor Golf Club,

We are very fortunate that all our speakers are still able to come on the altered date and we welcome

Bullseye UK

Vince Murphy & Rosie from Bullseye will have a display of all their trophies and you can find them online at www.bullseyeuk.com.

Golfguard Insurance

Margaret Belsey from Golfguard Insurance will be giving a presentation of affordable insurance for Members.

Sir Michael Bonallack

Unfortunately Sir Michael is unable to attend the AGM due to a prior engagement.

English Golf Union

We are very fortunate to have James Crampton from the EGU who will advise on the new Central Handicapping and is happy to answer any of your questions.

Web Creative UK

Our final presenter is Kevin Evans from Web Creative UK. Kevin will be offering Clubs a chance either to have a new website made or their own ones updated at a very competitive price.

ATTENDING THE 2010 ANNUAL GENERAL MEETING

Within the rules of the NAPGC every Club has three votes at the Annual General Meeting (the Secretary and two other club members). However, with the excellent speakers we have at this year's Meeting, we are inviting clubs to bring as many members of your committee(s) who are interested in listening and learning about the English Golf Union and our other speakers. Amalgamation talks are currently going on between the EGU and EWGA, so bring the Ladies along as well.

This will also be a good opportunity to meet Captains and Secretaries from other clubs, together with your Zone Secretaries and other members of the Executive.

Please let Ed Mitchell know how many of your Members are going to attend the AGM? This will allow us to organise some refreshments so that there is plenty for all. eddiemitchell@blueyonder.co.uk

WEBSITE

All Competition Reports and entry forms are available on our website at www.napgc.org.uk
