

NAPGC NEWSLETTER JANUARY 2014

Welcome to your first newsletter of 2014!

Last autumn the NAPGC sent out a survey to all clubs asking for their views on a wide range of topics. We realized we needed to listen and act upon what you the members wanted in order for the NAPGC to survive in its present form. Disappointingly only 27 replies were received from over 70 affiliated clubs - summaries have been sent to all clubs. Overall you appeared happy with the organization of the NAPGC but you did ask for changes to our competitions and more regular contact via newsletters. Look out for the changes to the Clapham, Hawtree, Whitewebbs and Siemens Bowl competitions and playing criteria for the BV and JHB.

We would welcome contributions to the newsletters from you – has anything of note happened at your club? National Competition winners? Hole in ones? New club house openings? Photographs of your course during the recent floods?

Please send your contributions to: sandracombstock@napgc.org.uk
