

# **NAPGC NEWSLETTER MARCH 2014**

Welcome!

The golfing season begins in earnest with the publication of the Team Series draws for 2014. In response to your views the competitions have new formats and rules this year so please take time to read through the changes carefully. The number of entries received has been encouraging and we look forward to another good golfing year now that Spring is in the air.

## **News from the AGM**

At the NAPGC AGM in January the decision was taken to take the Association through the process of Incorporation. This will have no effect on the competitions that the NAPGC run for you but will change the structure of the Executive. The NAPGC will become a Limited Company and therefore there will be legal matters that the Executive must deal with in order for this to happen. It is hoped that the process will be completed by November 1<sup>st</sup> 2014.

## **JUNIOR FUNDING**

Do you have an enthusiastic group of Junior golfers or are you thinking of starting a Junior section at your club?

The NAPGC has a small pot of money that we would like to share with you! Please send your details and an outline of what you are trying to do for the Juniors at your club to:

[jeffretallic@napgc.org.uk](mailto:jeffretallic@napgc.org.uk).

All applications will be dealt with on merit and must be received by 30<sup>th</sup> April 2014.

## **YOUR NEWS**

The future of Basildon GC has been in doubt over the past few years, but finally it would seem that their future is secure. Colin Jenkins has been granted a 75 year lease by the Council to manage Basildon Golf Course. Since October the course has seen many improvements with new paths added, trees trimmed, bunkers repaired, greens hollow tined etc. There are also plans for a club house extension.

Many thanks to Sue Cable from Basildon for keeping us informed.
